EXPO CHICAGO NAMES JACOB FABRICIUS AS 2019 IN/SITU CURATOR

Kunsthal Aarhus Artistic Director to Curate On-Site
Installation Program at 2019 Exposition

CHICAGO—EXPO CHICAGO, The International Exposition of Contemporary & Modern Art (September 19 – 22, 2019), today named **Jacob Fabricius**, Artistic Director of the Kunsthal Aarhus in Denmark, as the Curator of the EXPO CHICAGO 2019 **IN/SITU** program. Installed within the expansive, vaulted architecture of Navy Pier's Festival Hall, **IN/SITU** features large-scale sculpture, video, film and site-specific works. Fabricius will curate a selection of work featuring artists from leading international exhibitors participating in the 2019 exposition.

"The appointment of Jacob Fabricius as our 2019 IN/SITU Curator follows his involvement in the exposition's Curatorial Exchange program, allowing for the broader support of establishing major international projects developed within the city," said EXPO CHICAGO Artistic Director **Stephanie Cristello**. "Having followed the work that Jacob has done at Kunsthal Aarhus, one of the strongest interdisciplinary exhibition programs in northern Europe, and abroad, we look forward to furthering the exposition's commitment to presenting a program whose foundations are built upon contemporary global perspectives. His deep involvement with major Scandinavian institutions and the Chicago art scene will undoubtedly manifest an engaged program for our exhibitors and audience at the eighth edition this September."

Fabricius recently curated *SUPERFLEX, WE ARE ALL IN THE SAME BOAT*, an exhibition at Museum of Art and Design at Miami Dade College, Miami, and two exhibitions at Kunsthall Aarhus including Kim Beom's *Water from Ganges River in the Cup Made with Newspaper from Congo* and the group exhibition *Post Institutional Stress Disorder*. As part of the upcoming exhibitions at Kunsthall Aarhus, Fabricius will present exhibitions featuring work by Jimmie Durham, Maria Thereza Alves, Hwayeon Nam, Céline Condorelli, Ursula Nistrup and Amalie Smith. Opening September 2019, Fabricius is curating *iwillmedievalfutureyou1* at Art Sonje Center in Seoul, South Korea.

Fabricius follows 2018 IN/SITU Curator Pablo León de la Barra, Solomon R. Guggenheim Museum Curator at large, Latin America.

"I have been visiting and collaborating with Chicago's incredible art institutions since the late 1990s, drawing from the diversity, architecture and history of the city," said **Jacob Fabricius**, Kunsthall Aarhus Artistic Director. "Chicago has inspired my work a great deal, and EXPO CHICAGO's immersive IN/SITU program provides the perfect framework for my exploration into pressing issues of sustainability and political systems."
